"TIZ" FOR TIRED SORE, ACHING FEET

Ah! what relief. No more tired feet; no more burning feet, swollen, hot, smelly, sweaty feet. No more pain in corns, callouses or bunions. No matter what ails your feet or what under the sun you've tried without getting relief, just use "TIZ." "TIZ" draws out all the poisonous exudations which puff up the feet; "TIZ" is magical; "TIZ" is grand; "TIZ" will cure your foot troubles so you'll never limp or draw up your face in pain. Your shoes won't seem tight and your feet will never, never hurt or get sore, swollen or tired. Get a 25 cent box at any drug or department store, and get relief!

ONLY A LITTLE DOG!

Two little dogs playing and frisking about on a country road. One of them was a dog whose father was brought over to exhibit at the Seattle exposition, and his mother also came across the seas. They were thoroughbreds, and their ancestors had been pet dogs for centuries in their own country.

But this little dog was a sport; even as a pup he was too large, and not true to type, so he was given away to some country folks. He had never been beaten or scolded, and he liked to ride in an automobile, when people came out from the city.

He did not know that the drivers sometimes do not care if they run over little dogs. You see they do not stop to think that while there are many stray dogs whom nobody cares for, yet there are many little dogs who are companions and friends to lonely people.

This little dog had no fear, and so he felt that the big humans he loved so much, would always look out for him. Down the rough country road came an auto, grinding along over the new gravel, bumping into the mud holes.

"Never mind the dogs; teach them a lesson." On goes the auto; one little long haired pet dog dead by the roadside. "Somebody's pet? Well, we don't care." "Only a little dog."

Congressman Buchanan May Be Arrested On Charge

Washington, Dec. 30.—Arrest of Congressman Buchanan, former Congressman Fowler, Henry Martin and Herman Schultheis of Labor's National Peace council, charged with anti-ally activities, was planned here today. It was expected that the department of justice and Buchanan would agree to the formal procedure of taking him on a bench warrant, inasmuch as he believes that his official status will make him immune from prosecution. No effort will be made to extradite another alleged plotter, Franz Von Elinfeld, held in London, as a German spy.

THE MARKETS

Holiday week the market in general is quiet with the prospect of but few changes until next week. Eggs and butter seem to have settled to a new level and with the cold weather, dealers think this price will hold good for some time. Poultry is scarce. The price offered today on hens and springs is 11 cents and at this figure farmers are not inclined to sell. As to the price of onions, the association price is \$1.25 and this is the established price in the valley.

San Francisco, Dec. 30.—Drastic efforts to free himself and his name from the Luther Burbank company are under way today by Luther Burbank, the plant wizard of Santa Rosa. The company was organized several years ago to exploit Burbank's productions, but Burbank had no stock or other interests in the concern.

Through his attorneys, Burbank has filed suit for the collection of \$9,775 in two notes given him by the company. He also notified the concern of the cancellation of his contract, which permitted his namesake company to sell all his products.

According to Burbank's attorneys, the company agreed to pay the plant wizard \$300,000 for the exclusive right to sell his production, with an initial payment of \$50,000 and \$15,000 a year thereafter until the full amount had been paid. It is charged he received the first payment but nothing more.

DENTIST JOB KILLED HER.

Engene, Or., Dec. 30.—Miss Myrtle Mulkey, aged 20, is dead today as the result of having two teeth filled last Friday. Physicians say her death was brought about by the injection of a local anesthetic into her gums.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional treatment. Deafness is caused by an inflammation of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound in your ears, which is usually followed by a hearing impairment. If the inflammation is not taken out and the tube returned to its normal condition, hearing will be destroyed forever; thus cases of deafness caused by catarrh that cannot be cured by local Catarrh Cure. We will give One Hundred Dollars for any case of deafness caused by catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
